Verified Top Manufacturer of Water Play Equipment in China

[Spiral water slide in water park](#)

Spiral Water Slide Features

The spiral slide is a classic for fast visitor traffic in water parks. Whether in terms of spatial vision or the play experience, it is a must in amusement parks. Players glide in a spiral slide, undergoing the spatial and temporal variation, passing through the changes from transparency, streamer, black hole and open chute. The Spiral can be tailored to the customer's actual occasion.

Why Choose Us as Your Best Partner?

Services We Offer:

One-stop solutions including investment planning, planning construction, facility manufacturing, engineering construction, environment art, material support, operation management, and investment cooperation.

We provide all water play equipment such as water slides for both adults and kids, swimming pool wave machines with both air-blast and vacuum surf wave equipment, outdoor water playground houses & fiberglass pirate boats in water parks, lazy leisure rivers, tidal extreme rivers, over 80 kinds of cartoon spray pads, and numerous water splash play toys.

Our team includes powerful professional engineers, experienced construction teams, and dedicated after-sales service teams ready to assist you anytime. Any issues after project completion will be immediately addressed by our service team.

What Makes Us Different?

A successful waterpark requires more than just water slides. As experienced manufacturers, we understand that strategic combinations of different units (slides, pools, paysage, theming, F&B, etc.) are crucial. Our professional design team works with you from the initial idea phase through master planning to completion, ensuring a unique environment for your guests.

Our team has designed nearly 5,000 kilometers of slide paths, giving us unparalleled expertise in water slide design. We can provide exclusive design and planning for your project site within 48 hours.

How Can You Trust Us?

Begin by sending us an inquiry. We specialize in water play equipment including slides for all ages, wave machines, playground houses, pirate boats, leisure rivers, and spray pads for hotels and resorts.
