

Fiberglass Water Slide with 12 Months Warranty Over 12 Years Working Life and Max Capacity >500kg for Amusement Parks

Our Product Introduction

for more products please visit us on waterparksequipments.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LanChao
- Model Number: LC2020317001
- Minimum Order Quantity: 1
- Price: \$200-300

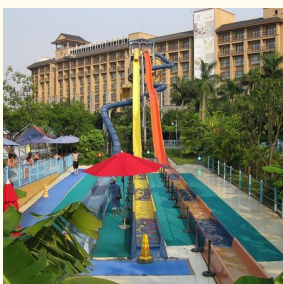

Product Specification

- Inflatable: No
- Material: Fiberglass
- Max Capacity: >500kg
- Type: Outdoor
- Allowable Passenger: >10 L
- Logo Design: Laser Printing
- Steel Structure: Hot-galvanized Zinc
- Feature: Anti-corrosion & Endurance
- Working Life: Over 12 Years
- Player: Adults
- Slide Type: Spiral
- Design Customization: Tailored To Customer
- Slide Path: Spiral
- Play Experience: Spatial And Temporal Variation
- Construction Material: Fiberglass

Product Description

Big Fiberglass Water Slide for Aquatic Park

Verified Top Manufacturer of Water Play Equipment in China

Spiral Water Slide Features

The spiral slide is a classic attraction for high visitor throughput in water parks. Designed for both visual impact and thrilling ride experience, it's an essential element for any amusement park. Riders experience dynamic spatial changes as they glide through transparent sections, light effects, dark tunnels, and open chutes. Each spiral slide can be customized to fit your specific location requirements.

Our Comprehensive Water Park Solutions

We specialize in manufacturing various water park equipment including:

- Water slides for all age groups
- Wave pool systems (both air-blast and vacuum surf wave equipment)
- Interactive water play structures
- Lazy rivers and adventure river systems
- Themed water play elements and spray features

Why Choose Our Water Park Equipment?

Complete Project Services

We provide end-to-end solutions including investment planning, facility manufacturing, engineering construction, and operation management support. Our team of professional engineers and experienced construction specialists ensures your project's success from concept to completion.

Strategic Park Design

With experience designing over 5,000 kilometers of slide paths, we understand that successful water parks require strategic combinations of attractions. Our design team creates unique environments that maximize guest satisfaction and operational efficiency.

Rapid Response

We provide customized design proposals within 48 hours of receiving your project details. Our after-sales service team is always ready to address any concerns promptly.

Our water play equipment is ideal for resorts, hotels, and standalone water parks. Contact us today to discuss your specific requirements and receive a customized solution.
