

High Capacity Fiberglass Water Slide with Long Working Life and 12 Months Warranty for Aqua Parks

Our Product Introduction

for more products please visit us on waterparkequipments.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LANCHAO
- Model Number: LANCHAO-WH05
- Minimum Order Quantity: 1
- Price: \$200-220

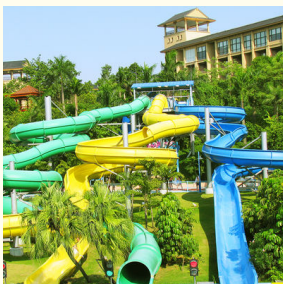

Product Specification

- Inflatable: No
- Material: Fiberglass, Other
- Max Capacity: 500kg
- Type: Outdoor
- Allowable Passenger: >10 L
- Logo Design: Silicone Printing
- Packaging: 1
- Combination: Available
- Working Life: More Than 12 Years
- Color: Customised
- Specification: Customised
- Size: Customized Size
- Slide Type: Spiral
- Design Customization: Tailored To Customer's Needs
- Slide Path Length: 5,000 Kilometers (16,808 Feet)

Product Description

Fiberglass Slide Water Park Slide Tubes Manufacturer

Verified Top Manufacturer of Water Play Equipment in China

Spiral Water Slide

The spiral slide is a classic attraction for high visitor throughput in water parks. Offering both impressive spatial visuals and thrilling ride experiences, it's an essential element for any amusement park. Riders experience dynamic spatial and temporal variations as they glide through transparent sections, light effects, dark tunnels, and open chutes. Our spiral slides can be custom-designed to fit your specific location requirements.

Why Choose Us as Your Best Partner?

Our Comprehensive Services:

- One-stop solutions including investment planning, construction planning, facility manufacturing, and engineering construction
- Environment art design and material support
- Operation management and investment cooperation

We manufacture all types of water play equipment including water slides for adults and children, swimming pool wave machines (both air-blast and vacuum surf wave systems), outdoor water playground structures, fiberglass pirate boats, lazy rivers, tidal rivers, extreme rivers, over 80 varieties of cartoon spray pads, and numerous water splash play toys.

Our Competitive Advantages:

Our team of professional engineers, experienced construction crews, and dedicated after-sales service personnel are available to support you at all times. We respond immediately to any post-project issues with effective solutions.

What Makes Us Different?

A successful water park requires more than just multiple slides. As experienced manufacturers, we understand that strategic combinations of different elements (slides, pools, landscaping, theming, food & beverage areas, and other amusement units) are crucial for success. Our professional design team works closely with you from initial concept through master planning to final completion, ensuring a unique environment that delights your guests.

With over 5,000 kilometers (16,808 feet) of slide path designed in our history, we've accumulated unparalleled expertise in water slide manufacturing. We're happy to answer all your questions and provide exclusive design plans within 48 hours of receiving your project details.

Our water play equipment including slides, wave machines, playground structures, and splash toys are widely used in holiday hotels and resorts worldwide.
