- Environmentally friendly materials

### Verified Top Manufacturer of Water Play Equipment in China

#### Rainbow Racer Slide

The Rainbow Slide is a compelling attraction popular with young people and a must-have for waterpark projects. Available in configurations of 3 to 10 slides, it entertains many guests simultaneously. Visitors can use their bodies or floating pads to glide, experiencing the thrill of racing as they speed into the swimming pool.

The slide features water buffering at the end to enhance safety and enjoyment without requiring deep pool immersion.
