Product Description

Splendid Outdoor Water Park Equipment Fiberglass Water Slide

High Speed Slide

A free-fall thrilling experience that offers real excitement and adrenaline-pumping experiences that guests can't get anywhere else. This ensures repeat visitors and makes even short seasons extremely profitable.

[Send me inquiry for latest price](#)

Boomerango Slide

Waterslides and water play structures appeal to families who might not otherwise be interested in typical theme park experiences. A waterpark allows guests to spend quality time together, riding many slides as a group.

[Send me inquiry for latest price](#)

Spiral Duration Slide

The spiral slide is a classic for fast visitor traffic in waterparks. Players glide through spatial and temporal variations, experiencing changes from transparency to streamer effects, black holes, and open chutes. Customizable to fit any location.

[Send me inquiry for latest price](#)

Rainbow Racer Slide

A compelling slide popular with young people, featuring 3-10 parallel slides for simultaneous racing. Visitors can use body or floating pads to glide, experiencing the thrill of competitive racing with buffered water at the end for safe landing.

Vacuum Wave (Tsunami Wave)

Combined with artificial beaches, this system creates powerful waves up to 2.5m high, allowing visitors to experience ocean-like conditions with flexible area design, intelligent operation, and continuous wave patterns.

- Customizable size to fit any water park space
- Essential leisure project with large tourist capacity
- Suitable for families, teens, and adults
- Creates powerful, exciting waves with beach scenery

Product Name	Vacuum Wave (Tsunami Wave)
Wave Pool Depth	0-2.1m
Wave Height	2-2.5m
Wave Length	5-15 meters, 3-5 min each time
Pool Area	Customized

Blower Wave (Pneumatic Wave)

Creates gentle waves (0.5-1.8m) through air pressure, simulating natural beach conditions. When the pressurized gate opens, air flow pushes water to form consistent waves.

Serial Number	Pool Dimension	Capacity	Equipment Quantity
1	300-800 m²	50-100 person	1-2 set
2	1000-1800 m²	120-180 person	3 set
3	2000-3000 m²	200-500 person	4-5 set
