Mini-Boomerango Slide

Living the joy of riding experience together as a family is now possible with our Family Slides. Our Family Slide Series consist of many rides of different diameters and designs. They can be open or tube slides. Since the waterpark experience is a family type of environment, family slides are of crucial importance to a successful Waterpark. This series can accommodate two to six people per raft, making it a great high capacity ride. A conveyor system can be adapted to launch the rafts. Our Family Slide Series are available in any color and a high variety of configurations; open and closed.

Why we are your Best Partner ?

What services can we offer?

One-stop solutions is available here, including investment planning, planning construction, facility manufacturing, engineering construction, environment art, material support, operation management, investment cooperation.

All water play equipment such as water slide for both adults and kids, swimming pool wave machine with both air-blast and vacuum surf wave equipment , outdoor water playground house & fiberglass pirate boat in water park, lazy leisure river,tidal extreme river, over 80 kinds of cartoon spray pads,and numbers of water splash play toys,etc....

Powerful professional engineers, experienced construction team, and after-sales service team are all ready to help you anytime. Once any problem occurs after the completion of the project, our after-sales service team will immediately flow up and solution your problems.

What's the difference?

A successful waterpark does not necessarily mean more water slides. As a waterslide manufacturer, we are aware of this fact because we care our clients' success. Each and every unit of the park matters. A solution consisting of a strategic combination of different units (slides, pools, paysage, theming, F&B, other amusement units, etc) is crucial. From the very first step, every detail should be taken into consideration. The Project should be planned to ensure to create a unique environment in which your guests will be happy to be in. Our Professional design team works in accordance with your needs from the idea phase, master planning upon completion.

Our team have designed almost 5,000 kilometers (16,808 feet) of slide path in our history. Needless to say, we've learned a few things about water slides along the way. If you have questions, we'd be happy to answer them.

Provided your project site, exclusively design and plan will be offered to you in 48 hours.
